To whom it may concern

Dear Sir/Madam

**Re: Dominika Rejmer.**

I have worked with Dominika for many years in her previous employment at our incoming agent for tours in Poland, Slovakia, Russia and Ukraine and always found her to be efficient, reliable and a great pleasure to work with.

In both long term planning for future tours and operationally dealing with issues arising with our clients whilst on holiday I always had complete confidence in Dominika work.

I would be very happy to recommend her services.

Yours sincerely
